Not important!

Just answer the question!

Listen up okay?

By the way, it seems quite a few of you participated, you'd better not show anyone those stupid pictures of me

What if someone I know sees them

This is a work of fiction any resemblenace to existing persons real or otherwise is purely coincidental

Arg, do Gods all live in Hawaii? They don't seem to ever have much clothes on.

Well done Lord in Red for being the first to guess every single one

Thanks for playing along, at least I thought that was pretty entertaining...

Not me

So just try and answer my question. Which one do you PREFER to be?

Weeeell ... If I have to choose

Of course I'd be the best one. When people say God, they're usually talking about the Christian God. He's the most popular after all. A lot of those other Gods, nobody believes in them any more anyway, they're just myths and legends. They might as well be a genie or a dragon.

Which one do you want to be?
That's...
الله

Yeah. Now go do something interesting so I can make a comic about it. If you don't the readers will get bored and I look bad

Okay then. You got it!
That's it?

I thought I was supposed to be working out what to do next, if you don't tell me which God I'm supposed to be, or if I'm any of them... then... why the heck did you get me to dress up in all this stupid stuff?

Ah... well I thought it might help your identity issues if you try and get into character you know. (And it's funny)

Alright already!

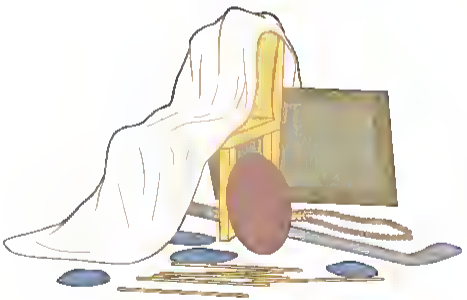
You're right! You're right!

Of course I'm right.

Hey does this mean I was Jesus? D

You think Jesus was an idiot like you?

Oh and clean up that mess while you're at it.

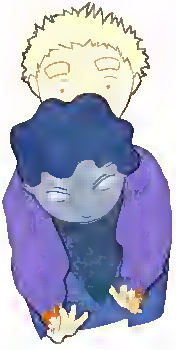


What?? I didn't agree to that!

This is juice swindling!

Okay, I did aaaaaall that

Now you have to tell me
Which one of these Gods am
I supposed to be?



Mmm...

Come on I did so much work!

Ngghhh...

That's right. It's not important,
because you can be whatever you want to be!
(you're god!)
So if YOU say it's not important, it's not important.
